- Fun!

ABOUT

The Monday Evening Free Golf Clinic was starting in 2014. The participation was astounding. The clinic runs from 6:30-7:30pm. Range balls, and clubs are provided. This clinic is for beginning golfers, and juniors who may not have even hit a ball yet. Registration is limited to 15 5-9 year olds, and 20 10-16 year olds per night. With the extreme popularity of this event, this is a hard number and we cannot handle more. Registration is open on a first come first serve basis, and if need be a waiting list will be created. Please call the golf shop at 610-273-0207 on Saturday Mornings to register your child for the following Monday. Please fill out the information below and submit this page to register!
