ABOUT

The Ladies Golf Clinics are one of the most popular clinics we host. Taught by Duane Lent our PGA Teaching Professional and Ben Ingles, Head Golf Professional, these clinics are suited for the very beginner golfer, to a golfer who wants to learn more. The basics will be covered, however if individuals who are looking for more advanced swing concepts, they are available as well with plenty of one on one instruction. Enjoy this clinic with a few friends, in a group setting. We will be covering elements such as putting, chipping, pitching, driving, fairway woods, grip, aim, setup, and stance. We will try to cover the whole spectrum! The Ladies clinics begin April 23 with opening night, and run every Thursday evening through October from 6pm-7pm. The cost is \$20 per session, or \$70 per 4 session blocks. Come and go as you please! Enjoy social time at the grill after the clinic with your new friends!
