

Honeybrook Golf Club

2021 Outing Information

Pennsylvania's Friendliest Golf Course

Honeybrook is a semi-private club nestled among the Amish farms of Chester County, Pennsylvania. The layout is a mix of wide-open links, tree-lined fairways, and subtle elevation changes that combine natural beauty with great golf. 18 challenging, yet playable holes are fun for all skill levels and perfect for outings.

The atmosphere is friendly and laid back – both on the course and in the Greenside Grill, which will cater to your guests and leave everyone more than satisfied.

Our staff is dedicated to make your outing a success. You'll find most of the information you need to plan your event in the following pages, more ideas can be discussed by scheduling a meeting with the Golf Professional Staff, 610-273-0207, Extension 1.

Golf Genius

- Helps outing coordinators with registration, selling and getting sponsors, as well as helping them run the outing to the best of their ability.
- Each outing can get their own webpage if desired.

Important dates and information

- All prices are guaranteed upon receipt of signed outing agreement and deposit.
- Ten days before the event, confirm number of golfers with Honeybrook. This will reserve space on the course and will be the minimum due day of event. The customer is responsible for no shows.
- One week prior to the event, a copy of the player list should be delivered to the golf pro. We will print hole assignments and personalized score cards for the tournament.
- Evening before, you will have access to Honeybrook to set up if necessary.
- A deposit of **\$500** is required to secure the date of any shotgun event. The deposit will be deducted from your invoice. The balance of the outing is due on the date of your event otherwise you are responsible for an 18% finance charge on top of your balance.

Rainout: Honeybrook does not schedule rain dates for outings and they will be played in the rain. If the course is deemed unplayable by Honeybrook management and golf is cancelled, the HBGC staff will work with the outing coordinator to try and book the outing on another day.

Course Competitions for Prizes

❖ Fun For All Players

- **Closest to the Pin** (All, Men, or Women)
- **Longest Drive** (All, Seniors, Men or Women)
- **Straightest Drive** (All, Men or Women)
- **Hole In One** (Insurance is the responsibility of the tournament organizer)

❖ Fundraising Opportunities

- **Skee Ball Putting Contest** –A great way to generate extra money. A skee ball target is painted around a hole on the putting green. When groups make the turn at the clubhouse they are asked by a volunteer to participate. Entry into the contest could be as low as \$5 per person. With entry fee paid, each contestant gets 3 putts. The highest point winner will win half of the pot at the end of the day. (The winner often gives the winnings back to the charity). The other half goes directly to the cause.
- **Beat the Pro**: If you ask the pro to be available for a Beat the Pro contest, he would gladly participate! The pro will be assigned to a par 3 hole. Much like the putting skee-ball contest, there is a small entry fee. Each golfer that gets the ball closer to the hole than the pro, will be thrown into a hat. At the end of the day during announcements, one winner will be pulled from the hat to get half of the pot. The other half goes to the outing.
- **Mulligans** : Mulligans are “do overs”. You can sell mulligans in different ways for example: one mulligan for \$5, or four for \$15. However, it is good to limit the amount you sell to no more than four per team to protect the pace of play of the outing.
- **Raffle Tickets**: Raffle tickets are a guaranteed way to make extra money. Selling raffle tickets for a cash prize at the end of the day generates a lot of extra money. The person with the pulled ticket wins half the pot, which they often give back with the rest goes to the outing.

**** If you have any other fundraising ideas let us know and we can work with your outing to make it work!**

Testimonials

"As a first-time organizer of a large golf outing (140 players), I was very impressed with the staff and management team at Honeybrook Golf Club who helped me plan and manage the event every step of the way. The Honeybrook staff answered every question and anticipated every hiccup leading up to and during the outing. It was a fantastic day, and I've since held another, even more successful fundraiser there and look forward to many more in future."

- Tim Horan, J&J United Way

"June, 2017 will be our 17th annual outing at Honeybrook Golf Club. Throughout the years, the staff and management have been just terrific and a pleasure to deal with. What started as an outing of about 40 has grown to an annual event featuring between 100-110 players and volunteers. As we have grown, the club has grown with us. We now use all the outing services including the Greenside Grill's catering offerings. The course is always in great shape and the covered pavilion is a great area for the post round festivities. We have other clubs inquire about hosting the event, but with the success we have had, switching venues has never been an option. Looking forward to many more years at Honeybrook."

Dave Campbell - Motson Chiang Memorial

"We consider Honeybrook Golf Club and its staff part of our family. We held our first fundraiser there in 2003 to raise funds for a cure after our son was diagnosed with terminal Tay-Sachs Disease. Our son is no longer with us but we've hosted an outing every year since then and have raised over \$150,000 for family services, education and research. We couldn't do it without HBGC's loyalty and partnership. Thank you Honeybrook and staff for your commitment to our cause!"

- The Manning Family

"Many thanks to Honey Brook Golf Club for providing an excellent experience each year at our annual golf outing. A great course with excellent facilities and a staff that is always very welcoming to the guests. We thoroughly enjoy having our golf event here for nearly 20 years."
